

# THE AFTER SCHOOL CLUB

The GYC After School Club is an after school program for current middle school students. The program will be held at the Gilford Youth Center, following school hours. Students will be transferred from the school to the GYC by bus.

## **Program Overview**

The After School Club will offer middle school students a safe and positive atmosphere where students can interact with fellow peers, gain self esteem, and perform physical activities.

The program will focus on areas such as:

- Academics
- Physical Activity
- Group Games
- Leadership Skills
- Life Skills
- Team Work
- Problem Solving Activities
- And More!!!!

## **Academics**

Each day, the program will begin with students given time to work on all homework assignments, in a closed, quiet setting. Passive activities will be available during this time as well. Volunteers will be available during this time for academic support and tutoring.

## **Physical Activity/Group Games**

Following the academics session, students will be involved with group games and activities. During this time, students will use the gymnasium, game room, outside playground and local fields. Games will help students interact, gain self esteem, and learn new skills. Through group games and activities, the program will help promote the importance of exercise and healthy living.
